

THERE'S A TRAGEDY ON BROADWAY AND IT ISN'T ELECTRA.

Only 8% of the plays and less than 1% of the musicals on Broadway were written by women. * Guerrilla Girls think that's even sadder than a Greek tragedy. There's only one explanation for what's currently playing: **DISCRIMINATION.**

*Play: Art. Musicals: one-half of the book of *The Lion King*;
one-fifth of the book of *It Ain't Nothin' But the Blues*;
one-third of *Ragtime* (lyrics).
